

Edward G. Bartick

Continuing Education

Raman Spectroscopy with Deep UV Excitation (Aug. 2004)

Renishaw, Inc.

FBI Academy, Quantico, VA

Dr. Richard Bormett

Infrared Spectral Imaging (Feb. 2004)

PerkinElmer Instruments

FBI Academy, Quantico, VA

Thomas Byron

Microspectrophotometry for Forensic Analysis (Dec. 2003)

CRIAC, Technologies

FBI Academy, Quantico, VA

Dr. Paul Martin

Contract Officer's Technical (June, 2002)

Representative Training

FBI Academy

Quantico, VA

Multivariate Data Analysis using Pirouette™ Software (April 2003)

Infometrix, Inc.

Seattle, WA

Recent Advances in Applied Chemometrics (Nov. 98)

Workshop at the Eastern Analytical Symposium

Somerset, NJ

Management Problems of the Technical Person in a Leadership Roll (Aug. 98)

Fred Pryor Seminars

Fredericksburg, VA

How to Manage Multiple Projects, Meet Deadlines, and Achieve Objectives (July 14, 1998)

Fred Pryor Seminars

Fredericksburg, VA

Advanced Microsoft Power Point (April 1998)

FBI Headquarters

Washington, DC

E. G. Bartick, Continuing Education: 2

How to Survive and Thrive in Uncertain Times (March 1998)

Lessons in Leadership

University of Richmond

The Management Institute

Dr. Tom Peters

Raman Spectroscopy with Near IR Excitation (Dec. 1997)

Dr. Richard Bormett

Renishaw, Inc.

FBI Academy, Quantico, VA

Analytical Raman Spectroscopy (Oct., 1997)

FACSS Workshop

FACSS Meeting, Providence, RI

Dr. Richard McCreery

Raman and Infrared Chemical Imaging (Oct., 1997)

Society of Applied Spectroscopy Workshop

FACSS Meeting, Providence, RI

Dr. Patrick Treado & Dr. Neil Lewis

FTIR Advanced Omnic Software (Oct. 1997)

Nicolet Instrument Corp.

FBI, JEH Building

Washington, DC

Dr. Robert Julian

Effective Writing (Spring 1997)

University of Virginia extension course

FBI Academy, Quantico, VA

Ginny Field

Statistical Analysis of Laboratory Data (Oct. 1995)

ACS Short Course

FACSS Meeting, Cincinnati, OH

Dr. Stanley Deming & Dr. Stephen Morgan

Capcon Internet (December, 1994)

Washington, DC

Contract Officer's Technical (April, 1994)

Representative Training

FBI Sponsored

Engineering Research Facility

Quantico, VA

E. G. Bartick, Continuing Education: 3
Color Measurement (April 1994)
Hunter Associate's Laboratory, Inc.
Instructor: Gordan Leggatt

Forensic Microscopy (Oct. 1989)
McCrone Research Institute
Instructor: David Stoney

Computer Integrated Laboratory (March 1988)
ACS Course, Pittsburgh Conference
Instructor: Raymond Dessy

Nicolet Infrared Spectrometer Training (May 1987)
Nicolet Analytical Instruments, Madison, WI
Instructor: Robert Julian

Molecular Microspectroscopy Workshop (June 1985)
Miami University, Miami OH
Instructor: Jack Katon

Polymer IR Spectrometry (Aug. 1984)
ACS Course, Case Western University
Instructor: Jack Koenig

Gas Chromatography (May 1982)
Perkin-Elmer Corp., Norwalk, CT
Instructor: Les Ettore

Thermal Analysis (Jan. 1982)
Perkin-Elmer Corp., Norwalk, CT

Computers in the Laboratory (Nov. 1981)
ACS Seminar Audio Course, Perkin-Elmer Corp, Norwalk, CT
Instructor: David Binkley

Energy Dispersive X-Ray spectroscopy (Sept. 1981)
Princeton Gamma Tech, Princeton, NJ

Technical Writing, (March 1981)
ACS Short Course, Pittsburgh Conference

IR Spectroscopy I & II (July 1977 & 78)
Bowdoin College, Brunswick, ME
Instructor: Dana Mayo

E. G. Bartick, Continuing Education: 4
Fortran IV Workshop (May 1975)
University of Connecticut, Storrs, CT
Instructor: Taylor Booth

Modern Analytical Liquid Chromatography (Nov. 1974)
Water's Associates, Milford, MA
Instructor: Bill Dark

Computer Interfacing (June 1973)
ACS Short Course, Virginia Tech, Blacksburg, VA
Instructor: Raymond Dessy

Technicon Industrial Auto Analyzer II (April 1971)
Technicon Inst. Corp., Tarrytown, NY

Self Study:

How to Deal with Difficult People (Feb., 1998)
Audio Cassette
CareerTrack Publications
Dr. Rick Brinkman and Dr. Rick Kirschner

The Tao of Leadership (Feb., 1998)
Book
Humanics Limited, Atlanta, GA (1985)
John Heider

How to Manage Projects, Priorities and Deadlines (Feb., 1998)
Audio cassette
National Press Publications
Jonathon and Susan Clark

How to Get Results With People (Feb., 1998)
Video Cassette
CareerTrack Publications
Jeff Salzman

Daily Reflections for Highly Effective People (Continuing Reading)
Book
Fireside (Simon & Schuster), New York (1994)
Stephen R. Covey

The Seven Habits of Highly Effective People (August 1995)
Book
Simon & Schuster, New York (1989)
